Baby Sprouts Playgroup

Our Baby Sprouts morning is a time when you can share the wonders, joys and challenges of parenthood and babies with others who are stepping into this journey of a lifetime. Our class is intended for parents who have babies on the way as well as those with little ones in arms, up to early crawling stage. Our time together will include observing and learning from these amazing miracles of life, discussing child development, sharing our adventures in parenthood, and singing songs and lullabies. Please join us for a session of six weeks this spring.

Please join us in Baby Sprouts as we strive to inspire and affirm you on your parenting journey. Ask us about Little Sprouts for toddlers!
