

February 2016

Dear Friends,

City of Lakes Waldorf School is planning our Spring Soiree! We're excited to celebrate our school, and we need your help. We're hosting our school fundraiser on April 16, 2016 which includes a silent and live auction. ***Please consider donating an item or gift certificate to our live or silent auction.*** It is only in collaboration with community partners like you that we can keep our tuition affordable, ensuring a holistic, heartfelt education for the 250+ children who attend our school.

Our Spring Soiree fundraising event – with the help of donations and auction purchases – raises needed funds to support our school's teachers, staff, and educational programming. Every fundraising dollar raised makes up the difference between tuition and what it actually costs to educate a child at our school. If you can participate, please fill out and return the donation form attached/enclosed to make your 100% tax-deductible contribution.

If you donate an item for our silent or live auction, the benefits to you are many:

- Your donation will become part of an online catalog viewed by hundreds of interested and potential customers for weeks before the live event.
- You are welcome to provide promotional materials to display with your donated items.
- We will be happy to promote your support through our website and weekly eNewsletter that, when combined, reach over 22,000 people annually.
- Winners become new customers, often spending more than the value of a donation.
- Our school families support the businesses that support our school!

Please submit your donation as soon as possible to guarantee maximum exposure on our online auction and website! If you have questions or want more information, call or email anytime. On behalf of all of us at CLWS, thank you for your consideration!

With Sincere Gratitude,

A handwritten signature in black ink that reads 'Lorna Schmidt'. The signature is written in a cursive, flowing style.
