### SIBLING DISCOUNT

Tuition is reduced by 10% for the first sibling, 25% for the second sibling and 40% for the third sibling. Sibling discount does not apply to the Toddler Program, Before Care or Extended Day costs.

### ENROLLMENT DEPOSIT

CLWS requires an annual non-refundable enrollment deposit of \$500 per student; \$150 per student for families applying for tuition assistance. The Enrollment Deposit is billed on March 1 and is due on March 15, per the Continuous Enrollment Contract. Failure to make an on time enrollment deposit payment may result in the cancellation of enrollment. The tuition deposit is applied in full toward tuition.

### TUITION PAYMENT OPTIONS & FEES

**One Payment** - Due in July, 2022. Payments are made to Tuition Aid Data Services (TADS).

**Two Payments** - Due in July, 2022 and January, 2023. This plan includes a finance charge of 1.5%. Payments are made to Tuition Aid Data Services (TADS).

**Ten Payments** - Due each month from July through April. This plan includes a finance charge of 3%. Payments are made to TADS.

**Tuition Guarantee** - Families who choose the 2 or 10 payment plan are required to pay a tuition guarantee fee. The fee is 2.5% of tuition per student and is optional under the one-payment plan. The guarantee protects a family in the case of a mid-year withdrawal, in which case they are responsible for 25% of the remaining tuition, instead of 100% of the remaining tuition.

### TUITION ASSISTANCE

Tuition assistance is available for eligible students in grades K-8. Families access the tuition assistance application at [www.TADS.com](http://www.TADS.com). Tuition Aid Data Services (TADS) manages enrollment and tuition assistance applications for the school. New families may apply for tuition assistance *after* applying for admission to the school. Tuition Assistance applications for the following school year are due for returning families by November 30, 2022, and for new families by February 19, 2023.

### ADDITIONAL FEES AND COSTS

#### ***Ensemble Program/Instrument Rental and Private Lessons (required)***

Students in grades 3-8 participate in our string ensemble program. Parents are responsible for renting or purchasing an instrument and obtaining weekly private music lessons for their child to support class instruction. A limited number of instruments are available for subsidized rental rates from the school. CLWS makes every effort to support families who may experience hardship related to Ensemble Program costs.

### TRANSPORTATION

Minneapolis Public Schools provides limited bus transportation to Minneapolis residents living in Zone 3 as required by state law. Families outside of Minneapolis and St. Paul may be eligible for transportation reimbursement from their school district. We will be notified by MPS each August if bussing is available for the upcoming year. **Bussing is for students in Kindergarten through 8th grade only.** *Extended Day rates for students taking the bus is \$10/day.*

### VOLUNTARY SUPPORT

Each year parents and friends of the school are asked to make an annual financial gift. Tuition covers significantly less than the actual cost per student incurred by the school. Our school relies on voluntary contributions to support our operating budget solicited through our Annual Giving Campaign. Gifts are tax deductible.
